Serving as Executive Assistant to the Chief Executive Officer of Tercum LLC, Shawn brings his depth of Market and Branding expertise, along with Project Management, Contract Management and throughput-supervision to the table.

Shawn has:

Over ten years of experience in Digital Media Marketing, company branding and design under his belt. Along with five plus years in Developing i/Os applications for Apple Media. Graduating with degrees in IT systems, Multimedia and Art Science, Shawn showed his exceptional talent by graduating at the top of his graduating class with honors in Environment Architectural design.

Shawn also supervised and was the project manager for a globally disparate team of ten designers selected to further complete over 9 i/Os applications, ranging from commercial to private aircraft companies seeking solutions for a broader consumer engagement. With experience in the gaming industry, aviation industry, retail industry and software development, Shawn offers a wealth of knowledge for someone so young.

## Global Marketing
